Children who have two-year-old funded places will have fixed sessions, this is to ensure that they receive their full entitlement and we will negotiate this with you. Parents of two-year-olds who are paying for sessions, often have work commitments and we try to have some flexibility to organise them to meet individual needs. Parents of two-year-olds should be aware that there are very limited places for two-year-olds in a morning session. Parents of three-year-olds are advised to take up five morning sessions and are welcome to attend any additional afternoon sessions, either as part of their 30 hours or paid sessions.

It is important that we are given as much notice as possible to ensure that a place is available.
