RotaKids – Aims and Objectives

The primary Aim of RotaKids is:

To provide young people aged 12 and under with the opportunities to participate enthusiastically in active citizenship to improve the quality of life for their school, local and global communities.

As a result, RotaKids can meet the following targets:

- 1) Develop long term citizenship and leadership skills through identifying and taking responsibilities for real life problems within their school, local and global communities.
- 2) Learn the importance of respect, dignity and caring for all people by working together to build friendships/teams and learning about the significant impact of their projects.
- 3) Recognise the high achievement and effect of completed projects that improve the quality of life for their school, local and global communities.
- 4) Work with the sponsoring Rotary club members as facilitators, mentors and role models.

RotaKids is for the youngest members of the Rotary in Great Britain & Ireland family.

The Aims and operation of RotaKids provides the foundation for being future members (if the young person is interested) of Interact (under 18's) on to Rotaract (ages 18-30) and Rotary itself.

It also increases Rotary awareness and gives an understanding of Rotary values and ideals of service to parents of RotaKids.

What is RotaKids?

RotaKids is an exciting way for those 12 and under to engage in important, lively activities that will make a positive difference in their school, in their local community and globally.

A special needs school, who are unable to fulfil the requirements of an Interact club may have students over the under 12 age range. This is **not** intended to replace Interact.

RotaKids are sponsored by a local Rotary Club in or near the town in which the school or group is located. It is chartered through Rotary GB&I.

- RotaKids provides the young people with the opportunity to gain an increased awareness and knowledge of their community and the world while developing the ability to take up their place in society as responsible, successful, effective and confident citizens both now and in the future.
- RotaKids will come up with ideas like fundraising money for charity, improving the environment, helping the elderly or helping children in another country. The Sky is the Limit.
- At a young age, all young people can easily be encouraged to be caring and helpful. Their minds are open to appreciation of diversity and the worth of each individual, this builds respect for others. They learn to understand that if we all have a right to be treated with respect, then it follows that we have a clear obligation to treat all others with respect.
- RotaKids promotes understanding and the building of friendships among fellow RotaKids
- RotaKids grows confidence and self-esteem. This boost to self-esteem is at a key stage in children's psychological development.
- RotaKids learn to appreciate and celebrate the diversity of the UK and Irelands history, culture and heritage and engage with other cultures and traditions.

RotaKids take the following Pledge to demonstrate their commitment to being good citizens:

“As a RotaKid, I endeavour to be fair to all, to serve my community and to show respect for others”

How to Start RotaKids

If a Rotary Club has an interest in sponsoring RotaKids, it can be undertaken by appointing a RotaKids team.

The following points are recommended:

- One Rotarian agrees to act as the leader, contact person with the School or community leader (where applicable) and senior mentor to the RotaKids
- The Rotarian leader, using this Handbook, liaises with, and seeks support/advice from, their District RotaKids/ Youth Officer to optimise the start-up process for their RotaKids
- The Rotarian leader makes contact with the local School Head Teacher or responsible community group leader to discuss plans and gain their approval for RotaKids
- The Rotarian leader makes a presentation to their Rotary Club to gain support
- A presentation to the local group, School Board, PTA or other interested persons may be undertaken
- The Rotarian leader meets the appropriate responsible persons / teachers and the initial children meeting date, format and audience are agreed
- This initial meeting of children explains to them what RotaKids is about and invites them to become RotaKids.
- Goals, school, community, local and global, should be set at this or the next meeting
- The RotaKids structure is set up. Officers such as President, Vice-President, Secretary and Treasurer are appointed
- A meeting is set up for all RotaKids to take the Pledge and to be issued with Pledge Certificates plus RotaKids wrist bands or badges
- Service projects, in the school, local community and global are agreed
- *Check Compliance requirements are met.*

Compliance Requirements for RotaKids Mentors

Rotary GB&I Policy: Rotary International in Great Britain and Ireland has adopted this statement of policy for its work with children, the elderly, the vulnerable and those with disability:

The needs and rights of the child, the elderly, the vulnerable and persons with disability take priority. It is the duty of every Rotarian, to the best of his or her ability, to safeguard the welfare of, and to prevent the physical, sexual or emotional abuse and neglect of all children, the elderly, persons with disability or otherwise vulnerable persons with whom they come into contact in their Rotarian duties.

To implement this Policy the following shall be done:

Child Protection/Safeguarding: The Rotary GB&I Safeguarding Guidelines MUST be followed. Appropriate steps must be taken to ensure compliance with the Rotary GB&I Safeguarding Policies for Children and Vulnerable Adults – see <https://www.rotarygbi.org/members/club-district-support/compliance/>

All involved Rotarians must have an ‘Enhanced Disclosure and Barring’ check (‘PVG Scheme Membership through Disclosure Scotland’ in Scotland) carried out.

Consent: RotaKids that meet and carry out their programme during school-based activities, do not require an additional Rotary GB&I RotaKids consent form to be completed.

If RotaKids is run outside school-based activities, Rotary GB&I RotaKids consent is required. Consent forms must be kept in a secure place. Consent forms are available to download from the Rotary GB&I website.

<http://www.rotarygbi.org/members/humanitarian-serviceprogrammes/youthservice/programmes/>

Health and Safety: Health and Safety procedures MUST be followed. The sponsoring club’s RotaKids Officer are advised to liaise with Club and/or District Health and Safety Officers. Even if RotaKids activities and events are acceptable events under the Rotary GB&I Insurance Policy, the Rotary Event Checklist and a Risk Assessment Form MUST be completed.

For school based RotaKids the school should lead on this, using their processes.

Insurance: The sponsoring club’s Rotary Liaison Officer MUST check the Rotary GB&I Club Insurance Guide annually - available on the Rotary GB&I website. As our insurance policies are reviewed on an annual basis, changes to cover may be made from year to year. For Rotary Year 2020-21, Rotary’s insurance brokers, Bartlett & Company Ltd, have confirmed that RotaKids is covered under the Rotary GB&I insurance.

However, not all activities will be covered automatically so it is the responsibility of the sponsoring Rotary club to ensure that individual events/activities covered and refer to Bartlett & Company Ltd where appropriate. A list of excluded activities and those that require referral can be found in the Rotary GB&I Insurance Guide 2020/21.

If you are still unsure, ask your Club Secretary and Club or District Health & Safety Officer.

RotaKids Guidelines

Whole school, individual classes or community groups of all sizes can be involved. Community groups should have a minimum number of 10 members.

- Ideas for projects are chosen by the pupils, helped by the class teacher. A minimum of three service projects a year are completed—one which furthers international understanding and the other two for the local community (this may be within their school). The projects should be a mix of service and fundraising.
- Rotarians make regular visits to support the project that is chosen and how this relates to the meaning of the Pledge.
- RotaKids Officers conduct the meetings under the guidance of attending teachers and Rotarian Mentors.
- Decisions about running projects always involve the RotaKids, e.g. they may be divided into teams and have responsibilities allocated to each team.
- Officers of RotaKids are selected from within the two senior classes of the school or within a community group. For example: President, Vice President (lower class), Secretary and Treasurer. Officers are appointed by the RotaKids voting on candidates that teachers have approved on leadership assessment.
- There are no dues. Monies for projects and activities are raised through sponsorship from the sponsoring Rotary Club or through fundraising activities
