Ranskill Primary School - PE and Sport Premium Plan - 2023/24

Eligibility for Funding:

The government has provided additional funding to improve the provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education; Health; and Culture, Media and Sport. It is calculated by reference to the number of primary-aged pupils (in Years 1 to 6), as recorded in the annual schools' census.

Purpose of Funding:

Schools must spend the funding to achieve additional and sustainable improvements to the quality of the PE, school sport and physical activity they provide. Schools are free to make their own choice on the best way of using the money.

Accountability:

Since September 2013, schools have been held to account over how they spend their additional funding. Ofsted have strengthened the coverage of PE and sport within the 'Inspectors Handbook' and supporting guidance, so that both schools and inspectors know how PE and sport is assessed as part of the school's overall provision.

Physical Education and School Sport at Ranskill Primary School:

PE and school sport develops our children's knowledge and skills, so that they can perform with increasing competence and confidence in a range of physical activities. These areas of the curriculum develop an understanding in children of their bodies in action, and promote positive attitudes towards health and wellbeing. This enables children to make informed choices about physical activity throughout their lives.

Ranskill Primary School's Aims for PE and School Sport:

- ✦ Develop a whole school approach to the teaching of PE and sport
- ✦ Make PE and sport enjoyable and accessible for all
- ✦ Embed the physical literacy, emotional and thinking skills needed to succeed in PE and sport, with its benefits across the whole curriculum
- ✦ Promote a sense of competition while still maintaining our 'Take Care' ethos and utilising our 'Learning Pal' values
- ✦ Improve standards of achievement in PE and sport
- ✦ Promote physical exercise and healthy lifestyle choices

'As a member of SHINE Multi Academy Trust, we share a common goal for the PE and Sport Premium; one in which all pupils leave our school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle, with lifelong participation in physical activity and sport.'

Review of last year's spend and key achievements (2023/2024)

Swimming data - meeting National Curriculum requirements for swimming and water safety

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study.

Question	Stats	Further context (relative to local challenges)
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	100%	
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	100%	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	100%	

If your schools swimming data is below national expectation, you can choose to use the premium to provide additional top up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	N/A	Pupils are taught by specialised, fully qualified swimming instructors from the venue. School staff do not teach swimming.

Key priorities and planning					
Action – what are you planning to do?	Who does this action impact?	Key indicator to meet	Impact	Sustainability	Cost linked to action
Utilise the PE & School Sport Specialist x2 lunchtimes a week, in order to provide physical activity sessions for targeted groups.	Targeted pupils across the school who otherwise would be less active during lunch times..	KPI 1) The engagement of all pupils in regular physical activity	-These children's health and wellbeing increases as a result of being less sedentary/more physically active during this identified time of day.	Targeted children are provided with knowledge about games and activities they can play, which keep them active, both in and out of school time.	Costs covered as part of KPI 3)
Evidencing impact of KPI1a)	The school's PE coach has supported pupils in developing a range of playground games which they can play to stay active. These include Chaos Tag, Granny's Footsteps, SPaG Polo and Handball.				
Continue to achieve the Youth Sport Trust's Bronze or progress to Silver Quality Mark as a result of a successful application/self-review process.	All pupils.	KPI 2) The profile of PESSPA being raised across the school as a tool for whole school improvement	External validation of the high-quality PESSPA provision that Ranskill has in place, and the wider impact this is having on school improvement, is provided.	The action plan also provides areas for development and signposting, resulting in a cycle of continuous improvement.	£210 * for YST Membership
